

S70 Smarter Cleaning Floor Scrubber
Technical Specification

Scrubbing System		
Cleaning method		Disc brush
Cleaning width		700mm
Solution tank		70L
Productivity		3150 sq.m/h
Voltage		24V
Brush pressure		20-50kg
Brush q'ty/size		13Inch * 2
Recovery System		
Recovery tank		75L
Squeegee width		960mm
Vacuum motor	Power	550W
	Stage	2 stages
	Suction	1791mmH2O
Drive System		
Brush motor power		400W*2
Brush RPM		150rpm
Turning radius		650mm
Gradeability		22%
Walking speed		4.5km/h
Driving motor power		400W
Battery	Q'ty	2 pieces
	Capacity	120AH@3hr
Li-battery	Capacity	100AH
	Charging time	3.5H
Dimension/Weight		
Dimension	Length	1360mm
	Width	770mm
	Height	1100mm
N.W	Without batteries	144kg
	Including batteries	223kg
Noise level : 72dB		

Remark: Parameters are subject to change without prior notice

Version number: GM2021-01
